Subject: Secret Service Requests

It was my understanding that it is office policy that all requests for additional information and records are supposed to be routed through me and that I am supposed to initial the final document summary form before it goes to you for signing.I just saw, for the first time, SS-16 which went out on the 17th over your signature.It appears that, unless you ask Joan every time, she will continue to evade the established procedures. I urge you to say to her that you don't want to see it unless I have already seen it.
