Subject: Review of Administrative Records re Hoover Files (Correction & Update)

MISCELLANEOUS ACTIVITYDocument's Author: Ron Haron/ARRB Date Created: 04/22/97Description of Activity Activity Date: 04/22/97Agency Name: FBISubject: Review of Administrative Records re Hoover Files (Correction & Update)Description of the Activity:In my prior report of today, I incorrectly stated that the FBI is processing O&C No. 96 (JFK), but it is actually O&C File No. 13 (JFK) (HQ File 94-37374) that they are currently processing. The second O&C JFK File that we need to evaluate is No. 96. This was clarified per my conversation with Joe lazetta today. In addition, Mr. lazetta reported that the JFK Task Force at the FBI have not accounted for the assassination records from Hoover's files, and they are sending out a tasking memo to other divisions at the FBI including the National Security Division, which is the successor to the Domestic Intelligence Division.
