Subject: Scope of FBI Records Search
CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 04/23/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronFBI's representative in the call: Joe IazzettaDescription of the Call Date: 04/23/97Subject: Scope of FBI Records SearchSummary of the Call:I have set up another appointment to continue the review of Hoover files (next Monday at 8am). In the course of our phone converstaion, Mr. Iazzetta indicated that a tasking communication is being prepared for a number of FBI HQ divisions requesting that they search for assassination records. He indicated that 10 such divisions will be tasked, including most notably the General Investigative Division, the Laboratory Division, the National Security Division (successor to the Domestic Intelligence Division), and the Office of General Counsel. This suggests, although I could be wrong, that these Divisions have not been previously requested to search for assassination-related records. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
