Subject: Call From Congresswoman Lindy Boggs

Mrs. Boggs called me today and advised me of the following with regard to the diary allegedly kept by her late husband Congressman Hale Boggs during the Warren Commission investigation:She spoke with her son, Tommy Boggs, in detail about the alleged existence of a diary. According to her, he cannot remember hearing about or seeing any diary, written or taped by his father. He simply does of the existence of any such diary.He recounting of what her son said was unequivocal: Tommy Boggs told Mrs. Boggs that he knows nothing about a diary.Perhaps we should talk about whether or not there is anything else you would like to have done on this matter.
