I did not see the item on CNN, but glad to know of it. I, too, would be curious to know if there has been more. Best, Kermit _____

<wljoyce@princeton.edu> at SMTPLINK-HumanitiesDate: 4/29/97 9:31 AMColleagues: There was a BRIEF report on CNN early Friday morning (c. 12:20 a.m.), featuring some video of us, a sound byte for Jack and sound bits (they don't warrant being described as bytes!) by Kermit and me of c. 3 seconds each. They also quoted Jamie Silverberg as saying the Zapruder family would have to be compensated for this taking, and that he would file suit to ensure that happened. Most of you probably also saw the brief report in the NY "Times."
Haven't read or heard of anything else... --Bill
