Subject: Press Releases

To: Tom Samoluk/ARRBcc: From: Thom Wilborn/ARRB Date: 04/30/97 08:11:29 AMSubject: Press ReleasesAs you probably have learned by now, I am leaving ARRB at David's request. I have greatly enjoyed working with you and look forward to doing what I can for ARRB in the time I have remaining. David has given me until the end of June to find a new job. As far as the press releases go, David believes that the releases on Nagell and the FBI appeals are not warranted because of their low news value. However, I did include the information in Jack Tunheim's column for the AARC newsletter. David feels that's sufficient coverage. Eileen informs me that the news release concerning the Zapruder film is going out to the general public right now. My current duties at ARRB, to my understanding, remain basically the same, except David wants me to donate as much time as possible to finding a new position. In his words, do what is best for me. If there is a change in that status, viz. being relieved of certain duties, I will let you know. For the time being, David said he will have some projects for me. Once again, it's been great. I am greatly ashamed that my performance wasn't up to David's standards.

Body: I would hope that you would consider my work here worthwhile. Respectfully,Thom
