**Subject:** Report or View needed for HSCA documents  
Kris Wilhelm at the Legislative Archives needs postment codes (1a, 1b, etc.) in order to generate new Record Identification Forms for HSCA records. She is generating these new forms without seeing the documents. While this is not the ideal, we can help her without a great effort by providing this information from our database. We can talk tomorrow about the most effective way to do this.Thanks.
