Subject: Meeting

I think we should cancel the meeting for next week unless there are particular issues that you would like to discuss. As I mentioned, there will be few records that require your review, and there are few issues that would require your presence in Washington. Please let me know anyone disagrees.I tried to set up the Cusack-Document inspection visit for next week. Unfortunately, this was not convenient for Mr. Cusack. I suggested May 19 at 10:00, and I am waiting to hear from him and will keep you informed.
