Review Board's representative in the call: Ron HaronImmigration and Naturalization Service's representative in the call: James M. LeahyDescription of the Call Date: 05/06/97Subject: Release of Alien Registr. Nos.Summary of the Call:I called Mike Leahy to obtain guidance from INS as to whether they want to postpone or release alien registration numbers. The reason we needed to clarify this is because certain documents in the HSCA collection have alien registration numbers of various individuals and INS's position in the past has not been clear as to release. Mike Leahy proposed that alien registration numbers could be released with the exception of A-numbers for minors (who would not be the main subjects of various reports).
