CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 05/13/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronDepartment of the Navy's representative in the call: Christopher L. Tynes, LT, USNDescription of the Call Date: 05/13/97Subject: Search of Marine Corps RecordsSummary of the Call:Lt. Tynes requested additional time on behalf of the Marime Corps to search its records. They asked for 5 months, and I stated that we would like to see the search completed by the close of August. Lt. Tynes was agreeable to this. In addition, I requested that their search first focus on those records of the Commandant of the Marine Corps for the 1959 and 1963-64 periods, particularly because those records may indicate whether or not the Marine Corps had done any internal investigation of Oswald at the time of his defection or after the assassination. In connection with our compliance meeting on Monday, Lt. Tynes indicated that the Secretary of the Navy's office has located one file which will be made available for our review. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
