**Subject:** George Donovan Called Doug Horne  
CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 05/13/97 The Players Who initiated the call? Review Board's representative in the call: Douglas HorneDepartment of the Army's representative in the call: George DonovanDescription of the Call Date: 05/13/97Subject: George Donovan Called Doug HorneSummary of the Call:George Donovan, who identified himself as a GM-15 Department of the Army Civilian in charge of declassification efforts, called me today in response to ARRB's letter of April 15, 1997 which had requested Randy Rakers travel from the Military History Institute for a 2 to 3 day declassification effort of the Joseph Califano papers at ARRB.He said the Army will be providing Ms. Toni Bowie in response to our request, and that she would be available for 3 days in the first week in June. He stated that Toni Bowie had worked with us once before.I emphasized that for those documents which she reviewed for which there appeared to be third party equities, we would expect her to declassify/make postponement rulings for those areas which she could, and then identify the third party equities in each document. He said that she would do the best she could in this area, within her level of experience.He then asked that we call her ourselves and coordinate details. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
