Subject: Job
David, I wanted to let you know that with recent developments at UMD and in Denver I have decided to continue in my part-time status here with the Review Board. I would like to talk further with you about some aspects of the exciting job you outlined for me last week. I believe that I could be more involved with the review process on a reporting level and could work with the Team leaders on a weekly basis to monitor review. I wanted to thank both you and Tracy in your efforts to support my work here and I look forward to continuing to work with you.
