I am assuming that he was at least middle age (late 40's to early 60's) then. S.M. BessiIn December 1963 he was President of Atheneum Publishers.I am assuming he was in the same age bracket as Hayes.This request is a follow-up on my request regarding David Schoenbrun. As you will recall, you found out that he died in 1988. Since the two individuals mentioned above were contemporaries of Scheonburn's, they are probably either very old or deceased.Please do not spend a lot of time on this matter; just see if anything comes up on them without too much effort.Please let me know if there is anything else I can provide to you, although that is really all of the information that I possess on each of them.Thanks. Tom
