**Subject:** Next Trip to Archives II

**Body:** Eric, on Tuesday or Wednesday of nest week, please go to Archives II and do the following:-deliver letter to Steve Tilley--these are the RIFs for Oswald's paper original Service Record and Medical Record (Steve already is in receipt of the records themselves);-please seek out and study the one classified "withdrawl card" item from the 40 boxes of JCS papers in the SCIF. I have identified it for you on Chris Barger's inventory list. Prior to the end of the week, please prepare a one-page unclassified summary memo for me on this 73 page document, telling me whether you think it qualifies as an assassination record and summarizing (in an unclassified way) what its contents are, and any 3rd party equities which you perceive. It is RG 218, and I do not believe it is presently in the JFK collection.BOTH ITEMS ARE ON YOUR DESK. Thanks.
