TURNOVER WITH JOE MASIH:Conducted turnover actions with Joe Masih last Wednesday through Friday.
Areas covered were IRR Sequestered Collection, PTC Documents, Clemard Charles IRR File, and DIA.RIF DISCS
FOR USMC and NAVY:Christopher has obtained properly formatted RIF software from Steve Tilley and has
transferred same to our Navy P.O.C., LT Chris Tynes, for further transmission down the line. Christopher also
prepared, at my request, USMC RIFs for the Oswald personnel file and medical/dental records which were
previously transferred to Steve Tilley; Steve had requested that those documents be RIFed and should now be
satisfied.PREPARATION FOR DECLASSIFICATION REVIEW OF CALIFANO PAPERS:Christopher has prepared, and
FAXed to Toni Bowie (Army declassifier), detailed guidance on the declassification standards of the JFK Act
which we expect her to follow next week when she is here. He has also prepared working cover sheets to be
used next week during the declassification review which will record third party equities which are identified
for each document. We have asked Eric to assist us in filling out the header on each worksheet and attaching a
worksheet to each document in the 6 Califano boxes.INPUT FOR CHAIRMAN TUNHEIM's
