Subject: Sheridan
Carlie called yesterday and told me that Dave Anderson had reviewed and approved the Petition for Enforcement of the Sheridan subpoena, but he thinks that Frank Hunger should review and approve it also, so that if we do end up in litigation with NBC, Hunger will know what led to it. The petition will go to Hunger today (Thursday).Carlie also talked to Criminal Division on Tuesday. They told her that they have not seen the records that Miller, Cassidy produced and that they (Crim. Div.) do not intend to look (in the mail room or wherever) for the records. Carlie is going to call Niki Kuckes at Miller, Cassidy today (Thursday) and ask for more details about the records they produced -- e.g. was there a cover letter? what did the packages look like? how many packages were there, etc. . . .
