Subject: Freeman memo

A hardcopy version of the memo (w/electronic document ID) should be in Kathy's subject files under (I presume, rather than recollect) "Warren Commission." In case that helps.

Subject: Freeman memo
Joe Freeman wrote a memo on the possible existence of a transcript of a September 18, 1964 meeting of the Warren Commission. Could you see if you can find it and then send it by e-mail to Joe and to me? In addition to the information above, the terms "Ward & Paul" should be in the document, facilitating your search. Thanks.
