**Subject:** Wrong memo  
Sorry. Ignore the previous e-mail. The other one you sent was the correct one.To: Chetcc: Jeremy From: Joseph Freeman/ARRB Date: 06/05/97 07:03:04 PMSubject: Wrong memoWhile related, I don't believe the memo you forwarded is the one Jeremy wants me to update. The one he's referring to references only the issue of the final, 9/18/64 Warren Commission Executive Session. Again, there should be a hardcopy of it in the 4.0.2 subject files under, presumably, "Warren Commission."Pretty good first try, though! I'd completely forgotten about the memo you forwarded!
