**Subject:** LA Times story  
An LA Times reporter, Heather Knight, would like to speak with you. She is writing an article about the Review Board and hopes that the story will run next week.I suggested that we could try to set something up (via telephone) on Tuesday when you are in D.C. She said that works for her, but she asked for your phone number in Minnesota just in case. I told her to ask for Debbie if she tries to reach you there.Some of the issues we discussed were: how were the Board members chosen? how often does the Board meet? how many documents have been released? why did the Board request an additional year? what was the outcome of the hearing on Wednesday?Her angle for the story seems to be the request for an extension and the hearing. Tom Samoluk suggests using the hearing booklet as a briefing memo for your interview with her.Please let me know if Tuesday is good for you to speak with her, and please let me know if you have any questions. See you on Tuesday -- have a safe trip.
