**Subject:** FBI substitute language

I thought there was going to be a standard paragraph on every final determination form, and then the list of substitute language specific to the agency equities. I'll give it a go on the standard paragraph. In the margin next to each postponement a letter or number is provided to represent the appropriate substitute language from the list below. (I'm not sure what else we need in the form.) Here is the FBI substitute language list: A. Informant Name, B. Informant Identifying Information, C. Informant Symbol Number, D. Informant File Number, E. Operational Detail, F. Identifying Information Postponed to Protect the Privacy of an Individual, G. File Number, H. Classified Case Caption
