**Subject:** warning: a new email virus  
Jaim & Bernice. I just got the following message. Please pass it on and beware. Congrats again to Chris & Kim,  
hope everything is running very smoothly for the wedding. YOU are all in our thoughts and prayers. We are  
doing well. I was glad to see that Donnita's father is doing better. Please pass along our greetings to Alyce  
Stewart. Feel free to give her my email address if you like. Thanks, Cathy

These things are usually not true, but just in case:\*\*\*\*\*TAKE NOTE !Someone's got an email, titled as JOIN THE CREW. It has erased his harddrive. Please do not open up any mail that bears this title. It will erase your whole hard drive. This is a new email virus and not a lot of people know about it. Just let everyone know, so they won't be a victim. Please e-mail this to everyone you know!!! Remember the title : JOINTHECREW--Peace!
