I spoke today with Walter Groszyk of OMB at 202 395 6824 who returned my call. He said the OMB Memo #69 was sent to us either Tues. or Wed., but that he would fax it to us. I gave him the fax number. More importantly, he said this memo, #69, would not have language in it to verify that we are exempt. He said this information came from a DRAFT INTERNAL OMB MEMORANDUM THAT eventually was finalized without that specific language. He added the possibility that maybe OMB could type up a short lettter verifying our exemption and requested to speak directly to you about this. Please contact me if there is any confusion I can clear up. Thanks Cathy
