Subject: Doug Horne Called Navy Historical Center
CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 06/23/97 The Players Description of the Call Date: 06/23/97Subject: Doug Horne Called Navy Historical CenterSummary of the Call:I spoke with Mike Walker at the Navy Historical Center and told him our agency wanted to review ONI histories for 1957-1964, inclusive. I explained that we were referred to him by ONI, who said they did not retain any command histories that old, but that Navy Historical Center would have any that had been written. He said that the enforcement of, and compliance with, the Navy's command history program was pretty spotty for the years in question (1957-64), but that he would check what they have in the stacks and call me back this afternoon with the answer.
