**Subject:** Barnes copying complete

**Body:** Barnes just left. He copied both day and night (and both A and B wires) for Nov. 26, 1963. Cover pages that read:DAY EAST RECEIVEDTUESDAYNOV. 26, 1963 etc. are included. The copies are good -- I hope they now photocopy well. I told Barnes we would be in touch soon, and definitely before the news release is issued.
