**Subject:** List of O&C Files

CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 07/01/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronFBI's representative in the call: Carol L. KeeleyDescription of the Call Date: 07/01/97Subject: List of O&C FilesSummary of the Call:At Jeremy's request, I spoke with Carol Keeley to get a sense of whether the FBI would object to the designation of the FBI's alphabetical and numerical lists of the O&C files. To the extent that the list is limited to the title of the file, she does not see a problem with designation. To the extent we would designate more detailed internal working papers relating to the O&C files, she would consider this a problem. Since the index of O&C files that I recommend designating is, in fact, limited to the titles of the files, I will include that in the list of documents that we will recommend be designated as assassination records. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
