CALL REPORT: PUBLICDocument's Author: Ron Haron/ARRB Date Created: 07/02/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronPublic's representative in the call: Frank RaganoDescription of the Call Date: 07/02/97Subject: Ragano Transcript/NotesSummary of the Call:Mr. Ragano called me this morning to inquire as to the status of two matters in connection with his deposition. First, he wanted to know what had happened with respect to the Secret Service analysis of his notes. I explained the general conclusions of the report (i.e., that the pencil notes could not be analyzed but that generally the ink notes were found to date to the 1980's). Mr. Ragano did not ask for a written copy of the report. Second, he wanted to know if and when his deposition would be released. I told him that the deposition had not yet been released and that, although it ultimately would be released, we had not yet had a chance to address that matter. I told him that we would give him notice before releasing the transcript. (In connection with ultimate release of the transcript, I suggest that we also publicly release [and provide to Ragano] copies of the Secret Service Report and my memo analysing the Report, but we should get Secret Service clearance beforehand). Don't forget to compose individual Action Item documents for any action items that resulted from the call!
