Subject: Closure on Outstanding Issues

Body: Please obtain answers on these two outstanding questions today, providing the cognizant people are at work today:(1) Who makes RIFs for the Califano Papers, NARA or the Army? (Memorialize the answer in a call report so we don't forget the answer and the reasons.)(2) Does Will Kammer want the JCS/Joint Staff documents xeroxed prior to review by them next week, or not?RIFs: It seems to me we need Tilley to prepare one disc for the Joint Staff, and perhaps up to four discs for the Army, if the Califano Papers are their responsibility.
