Subject:	JFK Library database
Body:	FYI. Here is what is happening with the JFK Library database.To: Chet Rhodes/ARRBcc: From: Michelle Combs/ARRB Date: 07/02/97 08:51:51 AMSubject: JFK Library databaseThe Library has asked for a copy of the latest database sent to us. Apparently they had a virus which damaged many of their files and they are trying to reconstruct their records. I am trying to determine how many JFK LIbrary documents have postpnements but apparently our database and the Library's do not agree. I can let you know who to call if you need additional information. Thanks.
