She reminded me that Evelyn Lincoln was her great aunt but that they were not at all close. She stated that she had no idea whether or not Evelyn Lincoln kept any diaries of any kind and that no diaries were included in the items she received from the estate. She also stated that she had never heard any family discussion or rumors regarding diaries and was very surprised to have even been chosen as a beneficiary of the Lincoln estate. She agreed to call the Review Board if she discovered any information about the existence of diaries in the future.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
