Subject: clearances follow-up
I spoke with Carol today about the problems we were having passing our clearances. She called down to security and spoke to Liz Jordan, who is our Debbie Allen's supervisor. Liz was on a way to a meeting so told Carol that she would look into it and call Carol back. Carol will call me in the morning with more info. There was some kind of mix-up coordinating the info from the TS office to the SCI office (which is where Debbie works) and this was part of the problem. Carol did however let Liz know that Debbie took her time passing the clearances and had no sense of urgency. Apparently, Debbie is new but it was acknowledged that this was no excuse. Anyway, they will talk more in the a.m. and call me then.
