Review Board's representative in the call: Manuel LegaspiNational Security Agency (NSA)'s representative in the call: - restricted - Description of the Call Date: 08/06/97Subject: Notification of delivery of NSA documents to NARASummary of the Call:I called our p.o.c. at NSA who was currently on leave. My call was directed to her supervisor who was also on leave. My call was then returned at 1110 by her (the supervisor's) substitute, who said that while she was not that familiar with ARRB-related issues, she would do her best to understand and pass any information on to NSA personnel associated with our work. I told her that the primary purpose of my call was to inform them that I was ready to send the 85 documents approved by the Board up to NARA. I also told her that 2 documents were pulled from this batch for reconsideration and referral purposes.Other questions that I had were administrative in nature and could wait until our contact returned from leave. She thanked me for the call and said she would email her colleagues with the message.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
