Subject: request from public (William Harvey transcript)

Body: I found document number 178-10002-10324 in the "Not yet in consent FRN" view of the consent database. It is 11 pages. Its classification is "unclassified" but under 'comments' on the RIF, it reads "Unmarked, but may include classified information." HMMMMMMMMMMMMM.This is different from the documents Bob found.I could not find 178-10004-10392 anywhere.Any help you can provide would be greatly appreciated. Thanks.
