**Subject:** letter to IRR  
Doug - this letter is in jeremy's office for signature.Note: On the document summary, you put to file it in 4.13.4 which is requests for additional information. I checked this with Jeremy because normally requests for add'l info are numbered, ie , IRR request -1, -2, etc. He said it is not a request for add'l info .I am therefore going to file it in 4.13.3, regular corresp. w/ army, in case you are looking for it.My question for you is: is this letter compliance related? In other words, should it be double filed into the compliance binder as well?PS- I have the attachment with review board explanatory information ready and the envelope ready, awaiting Jeremy's signature.Cathy
