**Subject:** FINCEN & IRR...

do you have any idea what he is talking about at IRR? We have had other people leave the staff who have had clearances passed to IRR and haven't had to do this. What gives?

As requested, I've arranged an introduction of Jim Goslee to members of the FINCEN staff on this coming Monday...I've asked Jim to ensure his clearance has been passed to their security officer & will acquaint him w/procedures in case the Board has need for him to do work at FINCEN...We'll leave the office around 10:30 a.m. ...The only date I could arrange to be removed from the "special access" file list at IRR (which is a mandatory task) is also for this Monday, but in the late afternoon ...My contact will be in the office late, so I can travel there after we're done at FINCEN...
