**Subject:** Trip to D.C.

After talking to Carolyn, it looks like either the week of 9/15-9/19, or the week of 9/22-9/26 would be workable. I will try to keep them free of other commitments/travel plans until I hear from you one way or the other -- I understand that all this is contingent on the availability of both funds and suitable projects. FYI. I will be in Alaska from 8/27 until 9/7 -- annoying, hopefully, grizzlies and humpback whales, among others -- so if you e-mail me in that period I won't be able to respond until my return.
