Subject: Subpoenas for Jerrol Custer and Ed Reed

This is what I sent Jeremy on Friday. Shortly I will bring you other information you may need as background (i.e., my previous memos on this subject).To: Jeremy Gunn/ARRBcc: From: Douglas Horne/ARRB Date: 08/15/97 12:25:25 PMSubject: Subpoenas for Jerrol Custer and Ed ReedDavid opted discuss this issue with the Review Board during his weekly phone call. Utilizing the notation and voting form (vice the draft memo I prepared for him to present to the Board), David has obtained 4 yes votes; Bill Joyce is apparently on the road on vacation and cannot yet be contacted. With four out of five members voting yes, and one vote not yet recorded, we have a "go" from the Review Board to have Justice issue subpoenas to the autopsy x-ray technicians.Hopefully, my draft memo (from David to the Board) and the two earlier memos on this subject will provide you with whatever you need to prepare input to Justice.Here are their street addresses:Jerrol F.
