**Subject:** General Counsel at ONI

I gave Cathy the task of obtaining names, phone numbers, and a fax # for attorneys at ONI General Counsel's office. She will pass the info to you.(For info, in 1959 NIS--for whom Fred Reeves worked--was part of ONI. And it was ONI who tasked Fred Reeves, by telephone, to investigate the defector Oswald. He said he was tasked by Rufus Taylor on the telephone, and that he, as head of the NIS office in San Diego, did the El Toro portion of the investigation, and was aware of inquiries sent to Japan. He said ONI in Washington headed the investigation.)Today, ONI is located at the National Maritime Intelligence Center in Maryland...Suitland, I think.
