CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 08/22/97 The Players Description of the Call Date: 08/22/97Subject: Doug Horne Called Anne WinnerSummary of the Call:I returned Anne Winner's call of yesterday. She wanted to inform me that she is working hard to comply with our requests, and now has many reservists who are on active duty looking through "hundreds of boxes" of records. She said she is glad we received an extension because this work will take some time. She has pulled some samples which may, or may not, be responsive, and wants ARRB staff to examine some selected examples and decide if they are responsive to our earlier requests, i.e., whether we consider them assassination records.I agreed to visit DIA on Tuesday, September 9th, at 1:15 with Jim Goslee to examine whatever representative material she has at that time.I briefly explained the RIF process to her, also. [My intentions are to deliver RIF software to DIA at that time.] I said we would pass our clearances prior to our visit, and asked her to send me a voice mail with her security officer's name, phone number and fax number. END
