Subject: Church Committee records at FBI

Body: As we had hoped, Jeremy has given us the green light to have you come in September and review the presumably-NBR-but-who-knows-for-sure? Church Committee documents at the FBI. I don't know what time you all are leaving for Alaska for tomorrow, but I hope that you will receive this good news before you go. If you have a minute today or tomorrow before you go, give Jeremy a call so that you can talk about which week will work best for you.If I don't talk to you before you go, have an excellent time in Alaska!
