Subject: Expenses from Max Phillips interview
Per our discussion on how to do the expense report for this interview. The options break down as follows:Mileage from San Francisco to Elk Grove and back = 186 milesorCar Rental for 1 day (I have the receipt for our 8 day rental) = \$35.53Gas (\$1.92/gal) at 24 mpg for 186 miles is 7.75 gal or \$14.88Oakland Bay Bridge Toll = \$1.00There are also some telephone calls which are on my calling card. I don't have the bill for them yet.Finally, do I do anything with per diem? I spent a little over 7 hours on this interview from around 9:30am to roughly 5:00pm
