**Subject:** Mark Zaid

Jeremy:Be forewarned: Mark Zaid has announced that he is wants to be more involved in the Board's work during the last year. He will be sending you a letter with a "laundry list" of matters he has deemed important for the Board to pursue. The basis for the list is the law review article that he and Charlie Sanders wrote a few years ago.He specifically asked about the transcript from the Anne Goodpasture deposition and whether or not he can get it. I told him that I did not know what the current status was, but that I would check.In addition, Zaid will make the pitch for the Board to include FOIA amendment recommendations in the final report, along with recommendations that the strongest parts of the executive order on declassification be statutory and not subject to change through a future President's executive order.
