Subject: Audio Tapes For Donation to the JFK Collection

Body: David:I have previously e-mailed to you this matter and would like to pursue it again. We are interested in getting the tapes that you so graciously agreed to donate into the JFK Collection. For fiscal calendar reasons, it would be helpful to accomplish this by the end of this month. I would appreciate it if you could give me a call to discuss the tapes. To get the project involving the copying of your tapes going, we will need to get some more information. It would be helpful to get a written proposal from the person who you want to do the job. The written information that we need from your person is the following:1. Cost per hour for his work.2. Estimated amount of work.3. Estimated total cost.It doesn't have to be anything fancy, but we do need the basics and it would be helpful if it was on the person's business letterhead (or something with his name and number on it).David, we are ready to get this done now. If it would be helpful for me to go to California to catalog (with you) what should be in the JFK Collection, I will do that. Thanks. Again, please call me at (202) 724-0088, ext. 227, or e-mail me a message at:Tom_Samoluk @ jfk-arrb.govTom
