**Subject:** Business Cards

Some of us "New Kids" were interested in business cards. I asked around, and that's something we need to do on our own. Eileen gave me the name of the store that printed everyone else's. I called and the price is approx. \$30.00 for 250. This place already has our seal on file so it could only take 7 to 10 business days. I thought they might cut us a deal if we order them together. If you're interested, let me know, and I'll place an order for all of us. Just let me know how you want your name to read on the card. I'll place the order so we (Pete, Ben and I) can have them in time for the seminar on the 7th and 8th of October. Thanks for your time,
