Subject: June determinations
To: Eileen Sullivan/ARRBcc: Manuel Legaspi/ARRB, Michelle Combs/ARRB, Irene Marr/ARRB From: Bob Skwirot/ARRB Date: 06/16/97 05:30:34 PMSubject: June determinations-The Board approved 186 documents that had been reviewed by the CIA team, about 2/3 coming from the Sequestered Collection and the rest from HSCA records. -In the Sequestered Collection, records were reviewed from Boxes 13- 18, 26, 32 & 34. Much of this deals with Cuban exiles and anti-Castro activities. In addition, there is some Mexico City material, most of it relating to the Cuban Embassy there. -The HSCA records are staff notes from boxes 13-29. They cover a wide range of topics including Oswald during the pre-Russian period, the Russian period and the post-Russian period. Also included are notes on Mexico City, the Garrison Investigation and anti-Castro activities, and on individuals such as Jack Ruby, E. Howard Hunt, John McVicar and Richard Snyder.I hope that this helps. Let me know if you need anything else.
