Subject: NSA Documents for Board Meeting

Jeremy:Michelle mentioned that Jerrie had told you that Michelle and I had approved a Manuel memo on NSA documents to you that was included in the FedEx package to the Board. We thought that it was appropriate because they will be considering some NSA documents during the "Green Issues" part of the agenda. The memo gives the Board an overview of where we are on NSA documents. We were under a FedEx deadline, thus, we did not have an opportunity to discuss it with you.I do not know if this is a problem. Please let me know if we made the wrong call. If we did, we'll get it right the next time.Thanks.TomTo: Manuel Legaspi/ARRB, Douglas Horne/ARRB, Jeremy Gunn/ARRB, Michelle Combs/ARRBcc: From: Tom Samoluk/ARRB Date: 10/08/97 12:11:49 PMSubject: NSA Documents for Board MeetingJeremy has indicated that given the tight time frame the Board will have on Tuesday, October 14 due to it being only a half-day meeting, the plan should be that the Board will deal only with green issue documents. We should still plan on having a meeting on NSA documents on Thursday, although Jeremy will not be able to attend.
