**Subject:** # of pages reviewed  
I would like to tell the Board at next Tuesday's meeting how many pages you all have reviewed but not yet negotiated since the last Board meeting. I know you have all been diligent in telling me your numbers on a week-by-week basis, and so I have any numbers you have previously given to me, BUT! if you have any new pages (from this week) that you have reviewed that you would like to add to the count, please send me an e-mail this afternoon or Tuesday. Thanks.
