**Subject:** Page count

So far I believe I have submitted page counts for Sam Mannarino volume 1-5. The past week I completed negotiations for volumes 6-8, a total of 752 pages to be added to the 1,349 pages already submitted. I also have reviewed all 9 volumes of Gab's files, a total of 2,695 pages. Joan and I should be able to get through most of it quickly since it contains many duplicates of Sam. I also have prepared 9 See files, a total of 1,340 pages. The total for the Mannarinos when completed will be 6,000 pages. I should have the Mannarino's wrapped up if not this week then next week. I am waiting to meet with Judy and de class to complete Harold Issacs See Reference, 190 pages. I have already submitted this. I have submitted page counts for these files and I am waiting for HERU to create RIFS for these files. I have already given Kevin the names of these files and page counts. Maurice Medlevine See Reference 150 pages. Marguerite Oswald See Ref, 12 pages. I hope this is the information you needed. If you need anything else just let me know.
