Subject: Jury Duty

Deferral info 879-4604 You are entitled to one deferral from the date you have been summoned. The date you select must be within 90 days of your summoned date. The date you select must allow you to fully serve if chosen. The only jury duty exemption would be for a physical or mental condition, and you must submit a letter from your doctor. I spoke to a Ms. Jones. If you have never asked for a deferral before, you don't have to give a reason to change the date. Call 879-1267, give your juror number and the date on which you CAN serve (see 2nd and 3rd sentences in previous paragraph). If you have asked for a deferral previously, more may be involved in changing a date.
