Subject: Dr's appt
Jeremy and Tracy --I can't remember whether I gave you a leave slip for my doctor's appointment for tomorrow morning or not, but if I did forget -- I have my second appointment with the cardiologist tomorrow morning at 8:00 a.m. and I expect the appointment to last for approximately 2 hours. I should be here by 10:30 or 11:00, but if I will be later, I'll call and let you know. Thanks.Laura
