I see real geographic difficulties in interviewing Mr, Glynn and meeting with NSA in one day. They are located on the opposite ends of greater Washington. Is Kermit willing to spend a 10 or 12 hour day here (much of it in a car)? Which of these meetings has the greatest priority for his time? The NSA meeting is currently scheduled for 9:00am but can be moved. If we left Mr. Glynn's home by noon, we could be at NSA between 2 and 3pm.To: Jeremy Gunn/ARRBcc: Michelle Combs/ARRB From: Douglas Horne/ARRB Date: 10/27/97 03:14:51 PMSubject: Peter GlynnI called Peter Glynn today at your request--he agree to a resked to November 18th, providing we conclude by 12:00 noon. He has to leave home by 12:15 for a doctor's appointment. The earliest he can accomodate visitors is 9:00. I told him we owe him a call to confirm the time we will show up...and that we would probably not arrive until about 10:00.I recommend we accept this offer, and that we structure the NSA visit accordingly...for the afternoon.His phone number is: (703) 221-6614.
